

Seminar and Networking Event

Conversations Teams and Organisations Need to Have

What is this about?

At this complimentary seminar and networking event you can join in conversations to explore ways to link together the different challenges and responsibilities of teams and organisations using the Performance Panel framework, which is usually reserved for in-house work with our clients.

Explore how key conversations combine to pull teams and organisations together at our seminar and networking event, at **3pm on August 31, at the Riverside Hotel Southbank, South Brisbane.**

Why it matters

Teams and organisations are challenged at every turn:

- Conflict about practical steps and solutions.
- Customers and clients not quite satisfied.
- Stakeholders drifting away or critical.
- Practices that undermine long term viability.
- Teams struggling to trust and cooperate.

The Performance Panel helps our clients navigate these issues and return focus to their efforts.

What it covers

This seminar guides participants through:

- The link between common challenges and key priorities to balance effort and results.
- How key organisational requirements link around enrichment, involvement, and alignment.
- The importance of integrating activity through leadership focus and team life.

Register and attend

This is a complimentary seminar and networking opportunity.

Time: 3pm-4:30pm, Thursday 31st August, 2023, with the option for more networking after.

Place: Riverside Hotel Southbank, 20 Montague Road, South Brisbane.
